Site Furniture

# Recharge your Outdoor Space

The Foro Collection of tables and chairs presents a clean, contemporary style developed to stand alone or combine with other Maglin furnishings within interior or exterior spaces.

Complete with standard and bar height tables and seating, the collection features round and square tables available in two sizes - 30" and 36". Maglin makes it easy for you to configure your Foro tables and chairs with surface patterns and a range of classic and bright powdercoat colors.
