Enter Plaque Wording

Plaque wording will display in 16 pt font size with chosen font type, unless "other" is specified. Other font will display in Arial type face. Select font type to enter plaque wording.

2.125″

5.875″

*A Maglin representative will create a proof of your plaque and send it to you for final approval.

Plaque Guidelines
- 16 pt font minimum
- Any standard word fonts (including bold, italics, etc.)
- Font Color: White Text for Night Sky Plaque and Black Text for Sandstone, Dusk and Glacier White Plaques
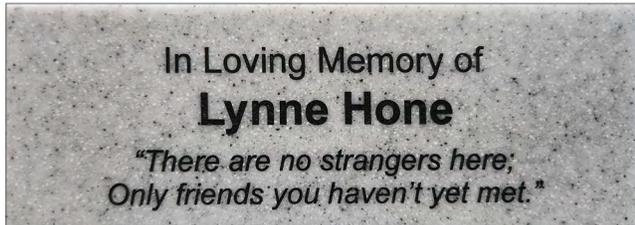

Artistic Requests
- For an additional fee, portraits of loved ones can be added to a White Glacier Plaque in grayscale.
- Images must be provided in high resolution (1MB min.), preferably without busy back–grounds or other people. JPG/VECTOR files preferred.
