

OGDEN

Modular Tables

Your table is ready!

How do you improve upon an MVP like the Ogden bench?

You add a table to the collection! Optimize the arcs, curves, and straight lines of your Ogden bench by adding modular Ogden tables that invite users to really lean into their leisure time, take their remote work outdoors, or catch up with friends over a latte. The new modular tables align perfectly to match the radius and flow of your Ogden bench offering you a truly personalized and harmonious design experience.
